С 25 **Сводный тематический план проведения научных и научно-технических мероприятий в Республике Беларусь в 2013 году** / Н. А. Фомин, Г. А. Махрова. — Минск: ГУ «БелИСА», 2013. — 272 с.

ISBN 978-985-6874-44-7

В соответствии с постановлением Совета Министров Республики Беларусь № 884 от 31.12.1993 г. и по заданию Государственного комитета по науке и технологиям Республики Беларусь ГУ «Белорусский институт системного анализа и информационного обеспечения научно-технической сферы» (ГУ «БелИСА») ежегодно издает «Сводный тематический план проведения научных и научно-технических мероприятий» для дальнейшего распространения и международного обмена.

«Сводный тематический план проведения научных и научно-технических мероприятий в Республике Беларусь в 2013 году» подготовлен отделом научно-технических мероприятий и маркетинговых исследований ГУ «БелИСА» на основании информационных данных, поступивших от Национальной академии наук Беларуси, министерств, концернов, государственных комитетов, комитетов, ведомств, предприятий и организаций Республики Беларусь.

**List of exhibitions, scientific conferences and seminars in the Republic of Belarus in 2013** / N. Fomin, G. Makhrova. — Minsk: SI “BellISA”, 2013. — 272 p.

In accordance with Resolution No. 884 of 31.12.93, adopted by Council of Ministers of the Republic of Belarus, and on assignment of State Committee on science and technologies of the Republic of Belarus “List of exhibitions, scientific conferences and seminars” is published annually by State Institution «The Belarusian Institute of system analysis and information support of scientific and technical Sphere» (SI «BellISA») for subsequent distribution and international exchange.

“List of exhibitions, scientific conferences and seminars in 2013” has been prepared, based on the information provided by the National Academy of Sciences, ministries, concerns, state committees, departments, enterprises and organizations of the Republic of Belarus. The plan is made by the Department of scientific-and-technical arrangements and marketing researches of SI «BellISA».
